

Meerut Institute of Engineering & Technology

Project Name
Sidekick of Semester (SOS)

Session: 2021-2022

MINI PROJECT

REPORT On

Sidekick of Semester (SOS)

Prepared By

Abhishek Singhal

THIRD SEMESTER

DEPARTMENT OF

COMPUTER SCIENCE AND ENGINEERING (CS&IT)

MEERUT INSTITUTE OF ENGINEERING & TECHNOLOGY, MEERUT

Affiliated to Dr. APJ ABDUL KALAM UNIVERSITY

Content

1. Problem Statement

2. Speciality of Website

3. Home Page

- 3.1. Features
- 3.2. Helps in
- 3.3. Links

4. Notes

5. Lecture

6. Test

- 6.1. Algorithm
- 6.2. Speciality of Test

7. Coding

8. About us

- 8.1. Speciality of About us

9. Bibliography.

1. Problem Statement

B.Tech is of 4year having 8 semester exam and the most of our time is wasted in managing notes as well finding them from messy phone and laptop.

So, This SOS (Sidekick of semester) saves your most of the time. As here you will get all of the notes for your subject.

Sidekick means helper,

And whole Sidekick of Semester means helper of semester

2. Speciality of Website

- This website can run on any of the device it doesn't matter what is the size of the device. This website is fully responsive.

- This website run on each and every Browser without any problem.

- This website was built by using HTML5, CSS, JavaScript, Bootstrap(A framework for CSS), Font Awesome(use for icons in my website), 'Yaldevi' as the font used in my website taken from Google fonts which enhance the beauty of my website.
- My website Contain 7 Webpages , 5 CSS file to easy my work, And 2 JavaScript file. All the images & Videos are taken from Unsplash.com
- Every page of the website is divided into 3 parts:
